

TRAVEL TO VALENCIA

CITY OF ARTS AND SCIENCES

Early morning departure towards Valencia. Arrival to the City of Arts and Sciences and visit the Oceanographic Park . It is the largest aquarium in Europe. During the visit and along the route by the different facilities, we can find out about the behaviour and the way of life of more than 45.000 copies of 500 different species: dolphins , beluga whales , walruses, sea lions, seals, penguins, turtles ,sharks, rays, sawfish, jellyfish, starfish, sea urchins ,crustaceans of all kinds, in addition to typical wetland birds such as living in the Albufera of Valencia and tropical mangroves.

Lunch in the restaurant of the Oceanografic

Then we visit the Hemisferic, screening room is the largest in Spain. IMAX digital projection and adventures through spectacular images.
Then we'll go to Albufera lagoon for a wonderful boat trip
